Good afternoon,

My name is Chris Raupers and I am an attorney at L'Abbate Balkan Colavita & Contini LLP. Please accept this correspondence as it relates to the below referenced records request.

As stated in our request, we are seeking to request records from the Division of Consumer Protection in your state in addition to the AG. Please advise as to whether your office would have provided these documents, or if a separate request must be made because the DCP does not fall under the umbrella of your office.

Apologies for the inconvenience, I just want to make sure I can obtain everything we need, and different states appear to handle this differently within their organizational structures. Have a great day and please let me know if you require any additional information to identify our request.

Have a great day! Still waiting for carrier approval on that estimate, but should touch base soon!

Christopher V. Raupers, Esq.

Associate
